**Sevens in Copenhagen**  
**Men | Women | Old Boys**  
**Monetary prizes for winners**

# Welcome to Sevens in Copenhagen

Finally, the COVID19 pandemic seems to be under control and we believe that it will be possible to play sevens in Copenhagen, like we always do. The sevens tournament at Rugbyklubben Speed in Copenhagen was cancelled in 2020, and last year, it had to be kept to a minimum level for only Danish teams. In 2022 it will - as usual - take place in the second weekend of August. This year we open the clubhouse, the pitches and the surrounding fields for a weekend full of competitive sevens, friendship and festivity 13 and 14 August. Copenhagen Scandinavian Sevens is played in three tournaments; Men, Women and Old Boys.

New sponsor agreements has made it possible to reinstate monetary prizes for the winning teams.

The tournament has been hosted in Copenhagen for more than three decades. After the first sevens in 1982, the tournament moved around Scandinavia, but eventually ended at Speed in 1987. Since then it has been an annual event with many recurring guests, but also new teams showing up each year. The 2019 tournaments for both men and women were won by Ramblin Jesters. Both winning teams were in their own league and did only concede a single try against during the whole tournament.

We look forward to weekend full of rugby for all levels, ages, genders and ambitions, where everyone in Speed will do their best to make it enjoyable for our guests!

## **Prizes for winning teams**

The best teams in the tournament winners will be awarded monetary prizes. The Cup winner for men and women will receive 1000€. Losing Cup finalists will receive 500€. Old boys Cup Winners will receive 250€ for the bar.

# Tournament and Match rules

The age limit for players in the men's tournament is minimum 18 years (born 2004), for women it is minimum 16 years (2006) and for old boys the minimum age is 35 (1987). If a team wants to participate with younger players, an exemption is required from the tournament committee based on permission from the player's national union.

Matches are played according to the international 7-a-side rules.

Players can only play for one team. If a team, due to injuries, is in lack of players, the team will be allowed to use players from other teams, but only from teams which are out of tournament and are not in a higher ranking tournament. Players willing to play for other teams must register with the committee, who will allocate them to teams.

All teams must register their squad list one week before the tournament by email. The list should be sent to the organizers. All team captains meet Saturday at 11.00

The match committee is the highest authority during the tournament.

RK Speed will arrange referees from Great Britain, but if a team has a referee on the tour to Copenhagen, he/she will be welcome to referee. Please give notice to RK Speed as soon as possible on the entry form for match planning.

First-aid personel is available during the whole tournament in case of injuries.

The tournament is organized under the Sports Confederation of Denmark (DIF), which means that Anti Doping Danmark may make official doping tests of all players during the tournament.
